Money Spell

(Said while making 9 knots in green, 13-inch silk cord or ribbon)

By knot of one, my spell's begun
By knot of two, plenty fruitful work to do
By knot of three, money comes to me
By knot of four, opportunity knocks at my door
By knot of five, my business thrives
By knot of six, this spell is fixed
By knot of seven, success is given
By knot of eight, increase is great
By knot of nine, these things are mine

Supplies:

1 green candle
6 coins
a green pouch or cloth
cinnamon

Create a circle with the coins around the candle.
Light the candle and chant 3 times:
Money flow,
money grow,
money shine,
money mine!

Sprinkle the bag or cloth with cinnamon and collect the coins and place them inside. While doing this chant:
Bring me money 3 x 3.
Keep the pouch or cloth with you for awhile.

CANDLE SPELL TO GET A JOB

This spell should be used only after you have submitted your resume or application. With a pin or sharp knife, write the name of the company(s) you want to work for on the side of a large green candle. On a red candle, you need to carve the victory rune (Tiwaz, it looks like an arrow, pointing up) and your full name. Burn both candles for 30 minutes on Thursday after the sun sets, while visualizing yourself getting the kind of job you want. At the end of the 30 minutes, snuff the candles (do not blow them out).

Burn them each Thursday after that for 15 minutes until they burn out, or until you get the job. Dispose of the candles and leave a small bowl of milk outside overnight as an offering.

FOR A JOB PROMOTION

Use a red or gold candle and do this spell on a Sunday. Repeat these words aloud eight times while the candle continues to burn:

Like a giant balloon,
to the heavens I soar.
climbing three steps at a time,
I now make the touchdown score
To claim the job that is mine.
That is waiting for me ...
What others envy, I now
"See"

A SPELL FOR EMPLOYMENT

Equipment

A lodestone, or a small but powerful magnet from a hardware store.

The Spell

Holding the stone or magnet, imagine vividly the kind of job you want and the feelings you will have while working there. Do not imagine names, the appearance of the workplace, or other details which might limit your choices. Speak aloud the qualifications you have for holding such a job, and ask aloud that you find it within a certain number of days. Raise power and charge the stone by dancing or breathing. The following day, have the stone or magnet with you as you make six job contacts, and make precisely six contacts a day until you have the job you desire

TO DO WELL ON A JOB INTERVIEW

First visualize yourself shaking hands with your future boss. Light a green candle and chant the following:

Success will come unto me.
Success will come so mote it be!

Blow out the candle and visualize its energy leaving in search of new opportunities for you. On the day of your interview, visualize a purple light glowing from you that allows for all that come into contact with you to find you charming, witty, and talented.

SPELL TO FIND A JOB

Items : 1 green candle - 1 black candle - Small jar - Nutmeg - Good luck oil - Banishing oil - Rune for good fortune - Stone - A piece of paper with your perfect job described on it.

Time : Waxing Moon

Ritual : Cast the Circle, Invoke the Gods, and anoint the black candle with banishing oil and light it while you visualize all your obstacles falling away, and say :

"Bad luck flees, obstacles fall,
My path is clear, Heed my call"

Anoint the green candle with lucky oil and say :

"Good luck is mine and prosperity
Help me Great Ones, come to me
Opportunity and rewards I see
As I will, So mote it be"

Meditate on the job you want as you gaze into the candle's flame. Still in the circle, fill your good luck jar with the herbs, stone, note and rune figure. Seal the jar with this words

"Earth-born stone of brilliant hue
hearken to my deep desire
amidst the candle's radiant fire
Herbs of luck, prosperity
heed my call and bring to me
a better job, new opportunity
As I will, so mote it be !"

Shake the jar, seal it with a kiss and place it back on the Altar. Ground and center, thank the God and Goddess and close the Circle.

Each morning after, hold the jar while saying :

"God and Goddess
Hear as I pray
Let good fortune come my way
send me luck, prosperity
in my job search,
So mote it be !"

Shake the jar a few times, seal it with a kiss and replace it on the Altar.

BEAUTY SPELL

On a full moon, take a mirror and go outside, take a piece of a picture (hair, lips, eyes, whatever you are interested in changing) place it on the mirror and concentrate on it and say...

"Moonshine, Starlight,
let the wind carry your light,
let your glow cover my body,
and let your shine cover every eye."

Say it 3 times and concentrate on the part that you want to change, Then say...

"Moonshine, Starlight,
shape and mold my body,
as a rose is granted beauty,
let me blossom in your light,
the light that brings me beauty,
and grant me beauty three times three"

Say it 3 times and when you are finished light a candle (pink) or incense.

SPELL TO LOOK MAGNIFICENT

apples, snow peas, avocado, and cherries.

(note: for romance: red apple;
for a job interview or to make others envious, a green apple;
in the arts or to make an impression in public; gold apple)

Cut an apple in half horizontally and you should see the star.
Visualize yourself glowing like a star.

Eat half the apple, and give the rest of it as an offering,
outdoors under a tree. Peel the skin off the avocado.

Imagine your negative traits peeling off of you,
including any negativity your mind has towards any part of yourself.

Slice the fruit into 7 pieces, and remove the pit.

Mash the slices into a paste, and use as a face mask.

Visualize all your blemishes disappearing.

Now take seven snow peas in your right hand, and 7 cherries in your left.

Eat them alternately. Left hand rules the subconscious, unseen world,
and the right hand rules the conscious seen world,
thus you are making yourself beautiful inside and out.

Do this 1-3 days before you intend to strut your stuff.

FOR BEAUTY AND YOUTH

Needed:

Rosemary and Sunflower Oils

Paper and Fountain pen with Red Ink

Sprig of Rosemary

Glass of Spring water Dilute five drops of rosemary into one oz. of sunflower oil.

Massage into hair. Close eyes and inhale the scent.

Write name on paper with red ink,

then dip sprig of rosemary into spring water and chant...

"Dew of the sea, enhance my charms,

bring love and friendship into my arms."

Place paper in spring water, and remove when ink is faded.

Wash the oil out of hair, using the spring water as the final rinse.

Wear the sprig of rosemary for the rest of the day.

Use this whenever you feel the need.

SPELLS FOR LONGEVITY

Needed: dried apricots, apples, sunflower seeds, pears, olives, and beets.

Work apricots into your diet. Dried apricots and apricot juice can be effective in preventing premature heart attacks, raising vital mineral levels, and blocking formations of certain cancers. Antioxidants in olives can help prevent cancer.

The rest of the foods are helpful in evoking long, healthy lives.

Count out 120 sunflower seeds, and eat them at sunrise.

When you eat pears or olives, imagine yourself endowed with the longevity of the trees that bore the fruit. See yourself as the tree, and visualize dropping seeds. This way you bless not only yourself, but your offspring to a long life. Rub olive or apricot oil into an apple, bite it, and visualize yourself as healthy into old age. Drink beet and apple juice, and visualize them revitalizing every cell in your body.

BEAUTY SPELL

You will need the following:

1 rose quartz

six rose petals

bottle of witch hazel

Look at your face in a mirror and all of its flaws. Visualize your face changing into the face you want and desire. Rub the rose quartz lightly over the problem areas and say the following:

"Stone of Beauty, Stone of Love,
Erase imperfection as I rub,

Bring to me the face I see,
As I will so mote it be!!!"

Open then the bottle of witch hazel and insert the rose quartz.
Take the six rose petals in your right hand and say...

"Venus, One of beauty rare.
I offer you these petals fair.
Bless them with your loveliness
and bring the beauty I request."

Rub the petals over any line, wrinkle, imperfection ect.
Then drop them in the witch hazel.
Cap the bottle tightly and give it six good shakes a day for a week.
At the end of the week, use it everyday as a toner after face washing.
As you apply it say...

"Imperfections, go away.
Beauty of Venus, come forth this day."

TO KEEP BEAUTY FROM FADING

When all your face appears most fair,
When the comets and meteors gild your hair,
And in your eyes the moon and sun
Contest, surrender, and burn as one,
When ivory Venus smoothes your brow,
And Mars reserves your lips' red bow,
Make haste to utter this binding verse
And hold the stars on their kindest course...

"Figure of fire,
That shift and change,
Planets that move
By heaven's hinge,
Be sighed and fixed
Forever here,
And close my image
Within thy sphere"

Measure a yard of golden string,
Loose from your fingers let it swing,
Then tie it in thirteen sturdy knots,
Hide it among your scents and pots.

VERVAIN

For everlasting youth, this spell must be performed when the moon is full... Go outdoors and light one black candle. Take a chalice of water to which you add salt, and two spoonfuls of vervain. Mix thoroughly and dip into this water a piece of petrified wood. Pass the rock through the flame of the candle and chant...

"Candle, herb, rock, water, salt,
Hear me as my song is sung,
Age is not my hearts desire,
It is youth to which I aspire,
Candle, herb, rock, water, salt."

Repeat the ritual and chant seven times. As each chant is said, touch the rock in turn to first one foot, one hand, one shoulder, crown of the head, and then down the other side of the body to shoulder, hand and foot. When the spell is finished, take the rock immediately to the nearest river, beach or stream and throw it in..

VIOLETS

Mix with milk and anoint the face, and "There is not a young Prince on earth who will not be charmed with thy beauty."

THE LOVER'S BRUNCH

This is used to arouse your lovers interest in you.
You will need these ingredients...

4 eggs
1/2 tsp. ginger
pinch of salt & pepper

Combine the ingredients in a bowl. Fill half an eggshell with water twice, pouring the water in the bowl each time. Beat the mixture until it's fluffy. Cook it in lightly -buttered frying pan over low heat until the bottom of the omelet is done. With your fingernail trace your initials or name at the top of the omelet and his/hers at the bottom. Pop it under the broiler for a moment to cook the top. Fold so that the initials are hidden.

Along with the omelet, serve a salad of bananas, peaches and pitted cherries - all of which have a power to arouse love. Hot rolls and apple butter also go along nicely (it's the apple butter with the power, especially if you made it yourself and used some of your kitchen witchery skills in the making of it!) If you can, share this omelet from the same plate for a romantic brunch! Wash your brunch down with champagne.

TO MAKE YOUR PARTNER MORE PASSIONATE IN BED

Write his or her name on a red phallus candle, stroke it 9 times with musk oil, and then pass it through the smoke of musk incense. Light the candle once a day, letting it burn 1/2 an inch each time. When the candle is finished, wrap it in a piece of red satin and keep it under your bed for one month.

TO START A PASSIONATE AFFAIR WITH THOU PERSON'S DESIRE...

Select a candle of light sky blue
And cut seven notches firm and true.
Add to this seven strips of parchment paper
Placed beside thy candle taper.
Upon them scribe, both first and last
The name of the Lover bold and fast.
Fold the strips in two lengthwise
To keep the names from prying eyes.
Strike a flame and set the candle to burn
And let one strip to ashes turn.
Speak out these words seven times in all,
To summon the forces and with love enthrall:
SPIRIT OF THE DARK LOVE GODDESS DEAR,
BRING (name of desire) TO MY ARMS RIGHT HERE.
LET ME KINDLE THE FLAME OF DESIRE
AND MY LOVE ALWAYS WITH PASSION INSPIRE.
Firm thy vision of what is intended
As the candle to the first notch burns and the hour is ended.
Repeat this spell a notch each night
And one of the strips gleefully light.
With witches will and concentrated vision
Thou canst capture thy lover with precision.

LOVE SPELL

Materials Needed:

1 pink candle
1 bottle of 100% Virgin Olive oil
Something to light the candle

Process:

Take the candle and place it on a table or your altar.

Now take the olive oil and rub on to the candle starting in the middle and going up, then starting in the middle going down. While purifying the candle with the oil you want to recharge the candle with love and desire, so visualize love and channel all your emotion into the candle. After the oil is finished, take a knife and carve what it is you want into the candle.

EXAMPLE: I Wish For Sally Jo Ann to love me

After finished writing in the candle, simply light it and concentrate on love and throw as much emotion (love) into the flame of the candle as possible, you may even want to add words if you wish. Sit and do this until the candle has burnt out. Once the candle has burned out, the spell is finished.

Attraction Spell

You will need:

A mirror

1 Pink candle (friendship, romance)

1 Red Candle (passion, lust)

In a place that is fire-safe & comfortable for sitting a while, place the mirror with a candle on each side. Light the candles...turn down, or off, any artificial light. Now, sit down in front of the mirror, gaze at your reflection. Sit comfortably, and relaxed. Notice all your good qualities...focus on them...then say aloud how wonderful this feature (eyes, for ex.) are. notice their shape, and colour, speak of them aloud...do this with all your best features. smile at yourself :) Tell yourself, how wonderful you are...state all the positive aspects of your personality, (your humour, your willingness to help others, etc) name all the beautiful traits, that make you special...speak of them aloud, and with confidence. Now comes the really hard part...hopefully, with practice, and by doing the above things, this will be easier to do! Say these words or whatever suits you:

"I am beautiful (or handsome) on the outside

I am wonderful within

I am special unto myself,

So let the love come in!

Negative thoughts, they vanish

I now toss them out

Negative feelings, be banished,

to let my love shine out!"

Repeat this, at least 5 times per sitting. And do at least, once a day - you may re use the candles, but please do not blow them out! (Some say that it is an insult, to the air & fire elements) Use a snuffer or wet your fingers, and pinch them out. As you get more used to doing this spell, you may repeat these words, or any words that you chose (spells are great, when made personal...

Also - to make an attraction charm to wear, simply find a chain with a pendant that suits you, and drape over the mirror while doing your spell...or wear it, so it is in sight, as you

do your spell. The charm gains strength, as you continue to work the spell. This spell works! In time you will see a noticeable difference in the number of people who approach you.

Balabala's Love Spell

This love spell is intended to attract the perfect mate and partner. In the circle, ground and center. Meditate on all the preconceived ideas you have about the perfect partner.

Maybe you have a particular candidate in mind for romance. Release the thought of that person (it would be most unethical to work magick to make a certain person love you; this would violate their free will, and put you in jeopardy by The Law of Return). Release all notions of what your perfect lover will look like. These are externals, and if you cling to them then you run the risk of overlooking your ideal mate simply because your conscious mind was focused on superficialities.

Equipment Needed:

Two candles

One white

One in your favourite colour

Two holders

A rose colored altar cloth

A piece of red chalk

This love spell can be performed at any time. I usually find that the evening is the best. When your mind is clear and open, hold the candle of your favourite colour: this represents you. Meditate, then speak aloud all the qualities and energies you are willing to bring to an intimate relationship. Replace that candle on the altar, and pick up the white one. This represents your ideal partner. Speak aloud the essential qualities you desire in a mate, and ask Aphrodite to bring you together in this lifetime.

Now place the two candles in their holders at opposite ends of the altar. Draw a heart on the center with the red chalk, large enough for both candle holders. Each day thereafter, meditate on the perfect loving relationship for a few minutes, and move the two candles an inch close together. If you started on the new moon, then by full moon the candles should be touching in the center of the heart. When they meet, draw two more hearts around the first one, raise energy by singing your favorite love song, and charge the candles.

Basic Love Knot Spell

Take three cords or strings of various, pleasing colours that make you think of love & passion - such as pink, red and purple - and braid them tightly together while thinking of your hearts desire.

Firmly tie a knot in the middle of the braid while thinking of your need for love. Next, tie another knot, and another, until you have tied seven knots. Wear or carry the cord with you until you find your love.

After that, keep the cord in a safe place, or give to one of the elements - burn and scatter the ashes in the ocean or in a stream.

Basil & Cinnamon Love Talisman

Should be done on a Friday during a waxing moon

Needed:

Large, flat plate

Small picture of yourself

Ground cinnamon

Dried basil

Ceramic or glass bowl

Pink household or taper candle

Small piece of pink cotton cloth

Pink yarn or cord

Hold the candle between your hands & envision yourself as a loving, giving person. Fill yourself with feelings of love & sensuality. Infuse those feelings into the candle and then place it in its holder. Light the candle.

Place the plate before the candle. Put the small picture of yourself in the middle of the plate. Pour a small circle of ground cinnamon on the plate around the picture & say:

"Love surrounds me."

Pour a larger circle of basil around the ring of cinnamon, saying once again:

"Love surrounds me."

Now pour a third, larger circle of cinnamon around the basil and say once again:

"Love surrounds me."

Hold your hands, palms down, over the three herb circles and your picture for a few moments. Sense the energies that are rising from the herbs. Raise energy. Visualize again what you want the talisman to accomplish. Carefully pour the herbs and the picture into the bowl. Place your hands into the bowl and mix the herbs with your fingers, infusing them with your personal energy as you do so and saying these words or something similar:

" Spice and herb, Plant and tree:
send someone to love only thee.

Love we shall share, Equally
As is my will & desire, So mote it be!"

Pour the spices and the picture into the center of the pink cloth. Gather up ends and tie them shut with the pink yarn. Place the love talisman beside the candle. Let sit there for at least 15 minutes or so as you concentrate on what you want it to accomplish for you then pinch out the candles flame. Burn the candle for at least 7 minutes at approximately the same time each day and carry the talisman with you to attract appropriate love. It is best to make another talisman or recharge this one about every 6 months or so.

Birch Love Spell

Carefully gather strips of the bark at the New Moon. With red Doves Blood ink, write on a birch strip:

"Bring me true love."

Burn this along with a love incense, saying

"Goddess of love, God of desire,
Bring to me sweet passion's fire."

The specific name of a god/goddess may be added. Or cast the bark into a stream or other flowing water, saying:

"Message of love, I set you free,
to capture a love and return to me."

Remember: It is unwise to use this incantation and ritual directed toward a specific person as that would violate the rule. If a love is to come to you, it must be of that persons free will to do so.

Bring Back my Love Spell

You will need:

2 white candles

A photo of your lover or friend

A photo of yourself smiling

A chamomile teabag

A piece of blue material

To bring back an ex-lover or end an argument between friends. Perform this spell at 8 o'clock in the evening.

At exactly 8 o'clock light the candles and take a few deep relaxing breaths. Visualize a peaceful scene. Now hold in your hand the picture of your ex lover or friend and repeat this chant:

"With the light of the flame
I'll light your desire,
When I speak your name
You'll feel the glow
from my fire.
The spell has been cast--
So be it!"

Say his or her name slowly 3 times and then put your picture face down on top of his or her picture so that the 2 images are together. Wrap up the pictures, along with the chamomile tea bag in the blue cloth. Put the package in a safe place. To make sure your ex lover or friend gets the message, light the candles and repeat his or her name 3 times each evening at 8 o'clock.

Bring Someone Close Spell

There are any number of ways to do this spell. You can drip water (preferably Full Moon Water) on photos of you and your beloved. You can set a candle in a bowl of water and allow it to burn until the water extinguishes it. You also may want to use Come To Me oil and/or incense for the spell. However you do it, visualize your beloved arriving from afar to find your love!

"Sacred water flow from me
To draw him ever near
As endless rivers run to sea
His path to me is clear.

A love that's true once here he'll find
And know his journey's end.
And in his heart and soul and mind
He'll know our lives should blend."

Well Being Spell

When you have been sick, but are beginning to feel better, this is a good spell to cast. It is energizing and will leave you feeling healthier than when you began. For periodic maintenance, you may want to use the spell twice a year.

Things you will need:
1 white or pink image candle
powdered rose petals
push-pin thumbtack

Star Oil (see below)

Carve your name, or that of the person for whom you are casting the spell, onto the candle. Anoint the candle with the oil and sprinkle with powdered rose petals. Raise energy and focus on general well being as you charge the candle. Burn under the waxing moon, chanting:

Earth, Air, Fire, Water

Peace, Health, Joy, Laughter.

Peak the energy and let it fly out to the universe. Let the candle burn completely.

(If you use runes you may also carve Sigel, Flame, and Caduceus in the wax before anointing the candle with oil.)

How to make Star Oil

1/4 ounce almond oil

10 drops lemon oil

7 drops jasmine oil

7 drops rosemary oil

17 drops chamomile oil

5 drops sandalwood oil

Wishing Spells

Take any large bowl. Drip a few drops of different colored candle wax in the bottom of the bowl, then adhere a white candle to that spot. The different colors represent diverse needs and goals, while the white binds this variety together in harmony. Each morning, light the candle when you get up and put a coin in the bowl. Make your wish for the day. Blow out the candle before you leave the house.

Whenever you desperately need to have a wish fulfilled, remove a coin from the bowl and either plant it in rich soil or throw it into moving water so that your message of need will be carried through the earth. When the bowl is filled with coins, use all but a few (these "seeds" always remain in your bowl) for random acts of kindness, like getting treats for the neighbourhood kids or helping a homeless person. Your generosity will return to you threefold to keep the magic of benevolence, both mundane and divine, with you always.

Banishing Spell

This candle I see before me, its color so bright,
holds my needs of change in its light...

I call in the forces higher than I to release the energy that is held inside..

May it work for me in the most correct way,
harming none and helping all as it leaves my stay..

I call on thee in perfect trust and love sending me guidance from above..

This I make happen and so be it will. Take away this thing that brings me ill.

So mote it be.3x3x3

Binding Spell

You will need:
One glass jar with lid
Photograph or personal item of person you want to bind
One white ribbon
Sea salt
Canning wax

Wrap the photo or item with nine knots of white ribbon, as you do, envision the person leaving in peace. Each time you make a knot, chant "I bind you (person's name) so you can harm none, not even yourself".

Place the photo or item in the glass jar. Say "I bind you with all the power of the great Mother" and cover the item with sea salt.

Melt the wax and pour into the jar and say "I bind you from this day and forever". Seal up the container and bury it in the north end of your yard. Tell no one what you have done.

TO PROTECT AN OBJECT

With the first and middle fingers, trace a pentagram over the object to be protected. Visualize electric-blue or purple flame streaming from your fingers to form the pentagram. Say this as you trace:

"With this pentagram I lay
Protection here both night and day.
And the one who should not touch
let his fingers burn and twitch.
I now invoke the law of three:
This is my will, so mote it be!"

PROTECTING ITEMS FROM OTHERS

Have a bowl of water, a bowl of salt, and one of those cheap misters you can get in the drugstore. Put candles in the four corners and light them.

Cast a circle and Call the Corners. Then Hold your hands over the bowls of water and salt, and allow your magic to flow through your arms onto the objects, surrounding them with protective light.

Say:

Protect from prying eyes
What only I can see
Protect from prying eyes
These magic things of me

Make a veil of mystic worth
Protect this magic (whatever your object is)'s hearth
Let our lines be blurred
Blended smudged and slurred
Only my eyes can see
The secrets which entrusted be

Then hold your hands over the water, and say:

I consecrate this water for protection
In the name of the Lady and the Lord
so mote it be!

Then hold your hands over the salt, and say:

I consecrate this water for protection
In the name of the Lady and the Lord
so mote it be!

Then put the water and salt into the mister and lightly mist your object(s) your personal belongings are protected!

EYE COLOUR CHANGE SPELL

In a dark place, or at night, set two parallel rows of candles, with the space of your outstretched arm, for about 20 to 30 feet, about a foot between candles. they must be white candles, fresh and never used before. after the approximately 20 feet, make a circle of candles, with circumference the same as the width of your arms outstretched. the circle must be southern most.

Light all the candles except a few between the "path" between rows. hold with you a white candle, lit, same as the others. you must also be wearing all white clothes. light the candles, and after doing so, kneel before the path, to the south, and ask for a blessing from the gods for your spell.

Walk with the lit candle slowly until you get to the circle, stepping over the unlit ones, turn, now facing the north, and light the candles that were unlit. (ideally 3 there) blow out the candle in your hands, and look at the smoke it makes, feeling your old eye color float away with it. you can sit or stand at this point, in whatever direction feels comfortable. Close your eyes, and feel with your spirit all the candles of the circle, and the path. focus the light in your eyes, and shift it to the color you want your eyes. when you feel the color staying, and a feeling of completeness, open your eyes. blow out the 3 candles to your north, and exit the circle.

Use the candle that you walked with to relight the 3 candles, and blow it out once more. walk down the path feeling the power around you, until you get out of the path. kneel once more to the south, and thank the gods for their attendance, and one by one, in the

order you lit them, extinguish the candles.

HAIR COLOUR SPELL

Ingredients:

3 orange candles (change and attraction)
or red candles (energy and attraction)
Hand mirror or free-standing mirror

On a Friday during the Waxing Moon, Gather the ingredients above and go to a place where you can be undisturbed for at least 15 minutes.

Light the three candles and place them in a triangle shape upon your altar. Allow yourself to become calm and centered. When you feel ready, place your hands over your hair and close your eyes. Visualize the color of your hair fading and fading, becoming white as the color drains from it. Hold the color within your hands. Slowly lower your hands above the candles and focus it into their flames. Allow the color to transform within the flames, becoming your desired hair color. Hold your hands over the flames and soak up the energy. Place your hands over your head again and allow the color to return to your hair, turning it the color you desire. Say the following charm:

Fire warm and Fire red,
Charm the hair upon my head.
Fire dance and Fire shine,
From _____ to _____, this wish is mine.
As I will, it now shall be,
By Fire, Water, Wind, and Tree.

With this, open your eyes and look at your reflection. If your hair has changed, it will last only a couple of minutes, or more, depending on how much energy you put into the spell. If the spell was not successful the first time, try it again another night. It takes much practice and ability to focus energy for this spell to be truly successful.

BEAUTY SPELL

6 rose petals
Bottle of witch hazel

Bring to me the face I see
As I will so mote it be!

Open the bottle of witch hazel and insert the stone. Take the rose petals in your dominant hand and say:

Venus, One of beauty rare.
I offer you these petals fair.
Bless them with your loveliness
And bring the beauty I request

Rub the petals over any line, wrinkles etc then drop them in the witch hazel. Cap the bottle tightly and give it six shakes each day for a week. At the end of the week, use it every day as a toner after face washing. As you apply it say:

Imperfections, go away.
Beauty of Venus, come forth this day.

INVISIBILITY SPELL:

Items Needed:
1 part Fern leaf, dried
1 part poppy seed
2 parts slippery elm powder
1 part Myrrh
1 part Marojoram, dried
3 parts Dill weed, fresh if possible

Grind all together, mix well. Add 9 drops almond extract, with enough spring water to make everything barely moist. Place in ceramic bowl spread thinly as possible and dry the mixture over low heat, stir occasionally until lightly browned. Grind again chanting: Things seen, and things not seen, let me walk here between. When finely powdered store in glass container. it will keep for years. Sprinkle a little bit on yourself, objects or in a place to be made invisible.

BINDING OBJECTS

Binding is a practical example of how a normally harmful and strictly "hands off" form of magic can be an effective and perfectly harmless magical procedure. If a friend wants to borrow something, and you feel hesitant in letting the object out of your hands, but you must, take the object (if it's something small enough to move around and hold) and a cord. Bind the object to your body -- literally, physically tie the object to yourself. Stand or sit a few minutes, visualizing yourself receiving the object back from the person you are loaning it to. Afterward, cut the cord (do not untie the knot!) and loan the object out, assured you'll once more have it in your possession. If the object is too large, such as a car, take a piece of cord, tie your hand or arm to a piece of it (such as the steering wheel, antenna, and so on) and proceed as above. Put the cord in a safe place until the

object returns.

BINDING OF THREE

1. Gather the three of you together.
2. Call the quarter, or elements (whichever you prefer)
3. Give honor to the Goddess, Queen of Heaven and Earth.

No say the following:

We give honor and thanks to the Great Mother Goddess, creatures of all life, sustainers of the universe, protector of the innocent, originator of all love.

Mother, Queen of Heaven and Earth

Goddess of laughter and of mirth

Hear your daughters' voices three

and bind us with love and unity.

So Mote It Be.

Binding Spells

The purpose of this spell is to rid yourself of the negative energies of someone who is mentally or emotionally abusing you. If done properly, it will not harm the object of the spell nor will it affect his or her daily life in any way. It will simply make the person powerless to mentally or emotionally harm you.

Materials:

Small cloth doll, leave the head unstitched until you are ready to begin the ritual

Needle and thread

Some personal item from the person you want to bind (fingernail clippings, hair, handwriting sample)

Black ribbon

Black candle

Cauldron or other fireproof container

Sterilized needle

Piece of paper and pen

One candle at each quarter (optional)

Ritual:

Call the quarters - Place candles at each quarter to form a circle of fire for extra protection. Light the black candle Concentrating deeply on the person you are binding, place the personal object inside the head of the doll and sew it shut. Tie the black ribbon around the puppet's head, signifying the binding of that person.

Say the following:

"With harm to none, my will be done I hereby bind you (name of person)
Your words cannot harm me
Your thoughts cannot harm me
You cannot harm me"

Continue chanting this until you feel power surging through you. Visualize the person helpless to slander or verbally and mentally abuse you while you are chanting. Now, to bind the spell - If you have a vigil or a Craft name, sign it on the small piece of paper. If not, sign your own full name. If others are working the ritual with you, they too should sign the paper. With the sterilized needle, prick one of your fingers and put a small drop of blood over your signature. Again, if others are working with you, they should place a drop of blood over their signatures. Fold the paper, light it on fire and drop it into the cauldron. Meditate on the flames until the paper completely burns away. If you are working with a group, join hands at this point and feel the power surging around the circle as the spell is bound. Ground and center release the circle. Thank the Goddess and God for their protection and power Bury the doll as far away from you as possible within the next few days.

CANDLE BINDING

Get a large white candle, the kind that drips wax, and set it up on a tray. Affix it to a photograph or other image of the person you wish to bind. Make a ring of sea salt around it. Make a second ring with protective herbs. Fill the rest of the tray with images that represent what you are binding the person from: pictures of your family, keys to your house, legal documents, whatever. If the problem is too complex for images, write what the person is bound from on slips of paper and place them around the candle. Papyrus, or paper made from cotton or linen work best for this. Use red ink if you are angry, purple ink if you are sad.

Wrap the candle and the image with black thread. Invoke Isis and Linda, the Binder with Linen Thread. Say out loud what you are binding the person from. Light the candle and leave it to burn until the wax begins to drip over the thread and image. Burn it every day for a week, until the image is thick with wax. Use this as a meditation device to direct your will to binding the person.

BINDING + TRANSFORMATION SPELL

This is a major spell, one that should be reserved for the most serious problems.

Imposing your will on another is not something we normally do.

This spell is not meant to punish the person it binds, it is meant to help them. You cast it out of necessity and compassion, not in anger. It is designed to stop the person dead in their tracks, freeze them from doing harm to them self or others and give them pause, a clear space in which positive transformation can occur.

You need:

A puppet - any sort of puppet is fine, in the correct gender if possible. Personalize it in some way to the person you will bind, such as embroidering their name on it or affixing a

picture of them to the puppet's face. I like to use a human shaped candle with the person's name written on it or carved into the wax.

Two candles, black ones if possible

Black thread

Incense (copal, fumitory, sandalwood and frankincense are good, but use whatever you can get) An image of the person, or something connected with them. If you don't have anything, write their name on a piece of paper. A healthy, living tree

Gather everything (except the tree) where you will cast the spell. Light one candle and the incense, cast a circle in your usual way. Bind the puppet with the thread, wrapping it around and around, making knots whenever you feel they are necessary. Speak to the person as you do this, telling them specifically why you are binding them and what you are binding them from. Leave a long piece of thread hanging from the puppet. Tie 9 knots in this. Drip molten wax on the bindings, to seal them. Use wax to seal any body parts you are binding, such as the hands of someone who beats his wife or kids, the crotch of a sexual predator, or the mouth of someone who is verbally abusive. Close the circle and ground power.

Leave the puppet on the altar, touching whatever you are using to connect them to it, until the candle and incense have burned out. Take the puppet and use the thread to tie it upside-down to a tree - an indoor tree will work as well as an outdoor one. Make the 5-fold bond, if it is possible to do this with the type of puppet and bindings you have used (as in the classic tarot card of the Hanged Man).

Say the following:

'I wean that I hung on a windy tree,
Hung there for nights full nine;
With the spear I was wounded, and offered I was
To Odin, myself to myself,
On the tree that none may ever know
What root beneath it runs.'

Leave the puppet on the tree for nine days. Recite the poem to the puppet at least once each day, sending the person strong thoughts about the changes you want them to manifest. Send them compassion, send them enlightenment. Hold a mirror up to the puppet while you recite the poem if you want them to 'see' what they have done. Yell at the puppet if you have anger you need to release. This spell should be therapeutic for you too.

Take the puppet down on the ninth day, leaving it bound. Light the second black candle and drip its wax all over the puppet. Speak to the person while you do this, telling them whatever you think they need to hear. As soon as the wax sets, get the puppet out of your house and into the trash. Do not bury it.

If the tree shows signs of growth afterward, that is a good sign the transformation part of the spell is working. If it's spring and the tree was going to bloom anyway, more than the usual number of blossoms would be a good sign.

BINDING AN ENEMY

Gather cobwebs from your house. Place them all a tangle upon a black cloth. Procure then a fly, recently dead, and set it down upon the mass of webs. These words should then be written down on paper:

"North, South, East, West
Spider's web shall bind him best
East, West, North, South
Hold his limbs and stop his mouth
Seal his eyes and choke his breath
Wrap him round with ropes of death."

Fold the paper 4 times and wrap it, the fly and webs in the black cloth, forming a small bag. This should then be bound up with the end of a long cord and suspended from a hook in a dark corner of the home. Do not disturb it, but let it hang until it is thickly covered in dust. Then take down and bury it in the earth to work its influence in perpetual secrecy.

HEALING SOMEONE IN YOUR FAMILY

Prepare an envelope from a square of paper that you have folded - If you do not know how to do this, you can use a very small letter envelope. On the envelope write the word "Health". Then write the name(s) of the person you are directing the healing toward.

Enclose the following herbs into the envelope:

Angelica, Burdock, Galangal, Horehound, Elder, Lavender, Lemon Balm, Mandrake, Root, Rose, Rue, Sassafras, and Yellow dock.

Chant the following:

I charge these herbs to aid my spell,
that _____ (name of person) will be well,
That by free will that can be blessed,
with total health and happiness,
I ask the Goddess to hear my call,
that it may be correct and for the good of all.

Pass the envelope through your altar candle and catch the envelope on fire. Focus on the smoke and visualize the energy blowing with the smoke toward those in need. Allow the envelope to burn completely

I call upon a breath of wind,
Empowered by the Spirit of Air,
To carry my spell toward my kin,
and gracefully deliver it there.
By all the power of three times three,

this spell bound around shall be,
To cause no harm, nor return on me,
As I do will, So mote it be!

TO HEAL A FRIEND OR RELATIVE

You Will Need:

Purple paper ,
White yarn or string
A pair scissors ,
Fresh violets (whole, with stems),
Black pen
A purple candle,
A small vase or holder (for flowers)

This spell is for healing a friend or family member. It is best done when the moon is full, but you can do it whenever you feel it necessary.

Light the candle and fill the small vase with water. Place the freshly cut violets in the little vase and say a chant, focusing on the well being of the person and the healing of their ailment.

Cut a heart out of the purple and write the name of the person on one side, and a short but heartfelt "Get Well!" message on the other side. Poke a small hole in the top right side of the heart and thread the white string through it, tie it, and attach it to the vase. Give the little vase of violets to the target person and await their recovery.

TRUTH SPELL

Materials: Thyme, A Red Candle, and a Herb dish.

Pour the thyme into the herb dish and say:

*Purification I do conjure,
So that thoughts be spoke,
No be pondered*

Light the candle and say-

*Passion so red,
Set to the fire,
Let the truth be said,
As is my desire*

Drop red wax onto the herbs and say-

*Mists of thyme,
Fire of red,
Send the truth to my head*

Now go to your front door and release the herbs to the wind. You shall let thyme fly and receive the truth.

TO LEARN THE TRUTH

Light alter candles.
Light Incense.

Think hard on the subject about which you wish to learn the truth.
Light petitioners candle. A candle representing yourself. And say:

"This candle I light to represent myself. It burns as does the spirit. It is as myself in all things.

Light 2 white candles and say,
" These are the symbols for truth. They are enjoined about (your name) and to me show all truth.

Then say:

"As I rake in the night 'cross the brown heath bare,
In the bright moons light saw a castle fair;
Lords and ladies, great and small,
Where crowding in, 'twas a festival,
Grasses in the wind are waving.
They bade me welcome and I went
To drink their wine to my heart's content.
I danced and laughed with the ladies fair.
Ne'er in my life had I such cheer;
Grasses in the wind are waving.
Then all at once there came a cry:
Haro by yaro! Asleep fell I,
While a lady dancing at my side
Seemed like a lizared away to glide;
Grasses in the wind are waving.
I woke in the early light of day,
In an olden ruin I did lay,
O'er the rock and into the sun
I saw a green-gold lizard run!
Grasses in the wind are waving.
Now the truth I know and it stays with me,
For I have seen what I did see,
All secret knowledge came to mind,
Borne on laughter of the other kind;
Grasses in the wind are waving."

Sit there in quiet contemplation for half an hour. In this time will the truth of the subject in question come to you. Extinguish candles

SPELL TO SEE THE TRUTH

To see the truth,
To know the way,
I cast a spell in every way,
By the power of three,
I conjure thee,
To give thy truth
unto me.

BREAKING A CURSE

On the first night of the waxing moon, gather the following ingredients:

a square of black cloth a little larger than your hand.
1 tablespoon of curry
1 tablespoon of dill
1 tablespoon of vervain
1 tablespoon powdered ginger
1 consecrated black candle
paper and black ink pen
1 black string, knotted nine times

On paper, write the full name and birth date (if known) of the person who has cursed you. Place the paper in the center of the bag. One at a time, add the herbs, covering the slip of paper. Next, take the lit candle and drip 5-10 drops of wax over the paper and herbs.

Visualize the person who has cursed you and say their name aloud three times while tying the bag shut with the knotted string. The final step is to bury the bag someplace on the property of the person who cursed you. The bag must remain there undisturbed until the next waxing moon. At that time, dig up the bag and burn the contents. This will weaken that person's power (usually until the night of the full moon) and the curse

HOW TO REMOVE A SPELL

Items : 3 cloves of garlic - water

Ritual : With water, grind the garlic into a paste. Rub the paste on the soles of the afflicted person's shoes, and on the front step of his(her) home. Create a blessing with the Sun retribution Symbol invoking enlightenment and clarity. This will negate earth spells.

REMOVING HEXES / CURSES SPELL

Materials:
Old Cooking Pot
Black Candle
Water

Get yourself an old cooking pot, place a black candle in the center, fill the pot with water until it is 2 inches below the wick of the candle. Light the candle and say:

"If truly hexed or cursed I am, let it break with quench of flame".

Then stare into the flame and see all the negative energy being drawn into it. When the candle burns down to the water level, and the flame sputters out, say:

"So mote it!".

Dig a hole and empty the water into it. Now bury the candle. It is done.

REVERSE A SPELL

This is to be used to reverse a spell cast upon a person, and return the spell upon the one who cast it. WARNING: Because of the Law of Threes, depending on the strength of the cast spell, this could cause great harm to the original spell-caster. This should only be used in dire need.

You will need a cast iron cauldron, a pile of oak wood, some mistletoe herb, water and 2,5 pounds of salt.

Collect the hair, nail clippings or anything of the person upon whom the spell was cast.

Consecrate the ground and cover it with a layer of salt to prevent evil from interfering.

Pile the Oak wood and light it. Place what ever was collected from the person into water in the cauldron and boil. Add mistletoe and perform an incantation. The spell is reversed.

As with any spell work, it were best to perform the spell inside a cast circle for protection.

TO BREAK A SORCERER'S CURSE

If you feel that a sorcerer or sorceress has placed a magical curse upon you, your home, or your family, perform this curse-breaking spell just before midnight on the last night of the Full Moon. Light a new white candle and burn any of the following incense in a fireproof container: cloves, frankincense, hyacinth, lilac, pine or sage.

Hold a lucky rabbit's foot charm over your heart and repeat the following incantation thirteen times:

"With rabbit's foot and magic verse
I turn around this wicked curse.
As these words of mine are spoken
Let this evil spell be broken."

Repeat this spell nightly (using a brand-new candle each time) until the phase of the New Moon. Wrap the leftover wax from the candles in a white piece of cotton and then bury it in the ground in a secret spot where it will remain undisturbed.

TO BREAK A VODOO CURSE

On a night when the Moon is in a waning phase, take a blood root (a favorite Voodoo root used for breaking all evil spells and hexes) and throw it onto the doorstep of the person who has placed the curse upon you. You will then be released from his or her magical power and the imprecation will immediately be turned back to the sender of the curse.

TO REMOVE A HEX / JINXED CONDITION

Although it is relatively rare that someone is truly hexed, it does happen. Also, it is important to note that the mind has a very powerful effect on the body, so if you believe yourself to be hexed, in effect, you are...This spell will remove any hexed or jinxed condition, whether real or imagined.

Fashion a puppet out of white felt or other white material. Stuff the puppet with vetiver herb, and place on your altar. Inscribe your name on a purple candle and anoint the candle with an appropriate oil. Visualize as strongly as possible the hex upon you...feel its power and the strength it has had over you...Now take a handful of garlic powder and sprinkle it over the puppet, while strongly visualizing the hex/jinxed condition being broken. Put as much feeling and emotion into this process as possible...now relax...allow the candle to burn down completely. It is finished...the hex is broken...so mote it be.

LEVITATION SPELL

This is white magic, and it is interesting. If you have two friends over, have one lay on the floor face up. You and the other friend put your hands under them and start chanting:

"Light as a feather, stiff as a board." (repeat over and over)

Start very loudly, then get softer until you are saying it in your mind.

Your friend will slowly start levitating.

SPEED UP TIME SPELL

Draw a Pentacle on your left hand using a blessed red pen. Visualize a sand clock as you draw.

Now put your left hand on your forehead, or third eye, and say:

SANDS OF TIME SHOW ME THY WAY
TURN THE NIGHTS INTO DAYS

ROSE PETALS SO LIGHT AND GRACE
SPEED UP TIME NOW, IN THIS PLACE

The spell will last for 24 hours or until the pentacle is erased, naturally or washed, so don't try to get sweaty hands.

SPEED DOWN TIME

Do the same you did in the other one but with a blue pen and in right hand, also do the visualization but with the sands falling slower, say:

CORE GO ROUND
POWER BE BOUND
INTERUPT THE NATURE'S COURSE
TIME SLOW DOWN
CAST THE SPELL SAIDTH THIS WORDS

The same rules apply to this one

SPELL TO BRING SPIRITS

Sit in a circle and say the following:

west chant: obey these words of power
east chant: watchers of the threshold, watchers at the gate
north chant: unbar the guarded door
south chant: obey this command of this servant of power

Chant this three times.

The spell will bring the spirits of the world to you to serve as a guide to you and your coven.

A Quick Money Spell

This spell requires good visualization. Take a green candle and anoint it with cinnamon oil. Take the bill or write on a piece of paper the amount of a bill you owe and who it is to. You will need a candle that can burn for 7 days. Place the paper under the candle. Hold your hands over the candle and say:

"This candle burns to light the way
for the money I need to pay this bill
in a way that harms no one."

Light the candle and burn patchouli incense. Meditate for about 5 minutes as the candle burns. Visualize yourself writing the check or purchasing the money order for this bill and putting it in the mail. Burn the candle every day around the same time for 7 days and 15 minutes at a time. Also, burn patchouli incense every day too with the candle. On the last day, burn the paper with the flame from the candle and let the candle burn completely out.

To Banish Debt

Needed

A piece of rolled parchment 2 inches wide and as long as you like.

One black pen.

One purple candle.

Oil of your choice.
Incense of your choice.

Suggested Correspondences:

Moon: Full (for more power) Dark (to banish)
Day: Monday (Family) or Saturday (banish) or Sunday (Success).
Planet: Moon (for family) Saturn (to banish) Sun (Success) or Mars (fast action)
Uranus (change)
Planetary Hour: Same as above
Astrological Placement: Moon in Aquarius (optional)
Deity: Juno (Goddess of Gold)
Elements: Air
Elemental: Sylphs

Cleanse and consecrate all supplies with the four elements (earth, air, fire, and water). List all your debts on the parchment. Draw a banishing pentacle on the back of the parchment. Carve a banishing pentacle on the candle. Place the rolled parchment in the candle holder then tighten candle on top. Think of banishing your debts. Think of the feeling of happiness and relief when the debts are banished. Light the candle. Take the candle to the East quarter and ask that the Sylphs send your message of banishment out to the universe in a safe and protective way, and ask that prosperity return to you in the same manner. Put the candle back on the altar and, in your own words, ask Juno to banish the debt and replace with prosperous energy. Allow the candle to burn completely. The paper will catch fire, so watch what type of holder you are using (glass will break) and that the candle holder is on a fire safe surface. As the candle burns, concentrate on banishing your debts, your feelings of relief and happiness, and the coming prosperity.

and

"Cloves, bring forth attraction!"

Remove the cloves before use. mix the potion with red wine and give it to your lover for a night of pure lust.

Drawing Desire Spell:

1. STEP ONE, Meditation is always carried out before a spell.
2. After proper meditation, place whatever candles you wish in front of you and begin the drawing. You may use a pencil and paper, but other things are encouraged as well. Markers, pens, just not water colors or anything that will take too long to dry. Draw with power. Invest your self energies and the elemental powers into the drawing. Draw your desire, may it be love, a curse, protection, anything.
3. After you have finished drawing, take a candle with the correct color for the spell (see color chart later on) and burn the piece of paper after you have folded it up into a package. Put the burning paper on a heat proof surface and watch the flames go out. As it does, the power of the drawing is released and will begin working.
4. Let the candle burn itself out.
5. It is done.

The Magicians Juice

Take a container and fill 1/4 of it with ground basil leaves. Pour alcohol to the top and cap. Shake well. Store in a cool dry place. Let the Magicians' Juice sit and steep for a few days before first use.

Medicinal:

- Insect bites
- Acne

- *Apply on lower stomach against menstrual pain

Magical:

- Purification baths
- Love perfume
- Temper soothing
- Keeps away negativity

Little Candle of love

What you need:

Athame

Pink rose jarred candle (Sweet Sensations Rose petals is the best - it smells nice and the wax is just soft enough. They come 2 candles in a box and they're cheap. Glade scent candles do the trick, too.)

This is a very simple spell, more a symbolic act than a spell. It can be personalized in many ways, here's one variation:

Use the athame to embed a etch of a heart in the wax, around the wick, while visualizing how you want your lover to be like.

Light the candle, saying something along the lines of "candle of pink, bring me love".

Burn the candle for as long as you wish (not over 3 hours because jarred candles tend to blacken the glass if burned for too long)

Light the candle the following night with the same chant.

) Weather Spell

To lessen the impact of a storm, stand outside facing the direction from which the storm is coming. Hold your hands high in the air. Focus on your intent. Yell out this chant sending your energy toward the storm:

North, South, West, East,
Subdue this mighty weather beast.
Calm its fury and make it pass,
Protect my home with this spell I cast.

Empowering a Potion

While making a potion, say this chant while envisioning your magick coming to pass:

Bubble, bubble, toil, and trouble,
Strengthen this potion on the double.

Empower this magick, send it fast,
And it harm none, make it last.

Book Blessing

You can say this blessing over your Book of Shadows:

In the realm of magick this book shall reside.
No one but the chosen shall see what's inside.
If breath be to Air as passion to Fire,
Let harm come to none, this is my desire.
If life be to Earth as Water to emotions,
This book be filled with magickal potions.
May the Gods protect it, keep it from harm,
And upon it bestow power, magick, and charm.
No one without wisdom shall peer at its pages,
Or the knowledge inside handed down through the ages.
This book be it mine, it harbors no fears.
The knowledge obtained through blood, sweat, and tears,
My magick's my passion, the spirit's my guide.
The love for the Goddess I hold deep inside.
The book may she bless it with spiritual light.
And let only her children read of its rite.
For those of the Wicca truly can see,
That this is my will, so mote it be.

Healing Necklace

You will need three lengths of blue cord or string, approximately two feet long. Sit in your magick circle and braid the strands together. As you braid, chant the following while putting your intent into the cord or string:

Infuse these cords, send healing power,
Have it grow with every hour.

Repeat the chant until you have finished braiding. Then say:

OH GODDESS GRACIOUS DAY AND NIGHT"
say it three times then end it with "SO MOTE IT BE"

another version of the same spell just different words is: "THRICE AROUND THE CIRCLE'S BOUND SINK ALL
EVIL TO THE GROUND" say it three times and end it with "SO MOTE IT BE"

Protection

Cast while pointing your wand to the sky then say...

Terra, Ignis, Aqua.
all three,
elements of astral I summon thee ,
Earth by Divinity, Divinity by Earth,

The strength of the elements by my side,
No rules magic i shall abide,
now when my enemy meets his downfall,
