You Can Do Whatever You Want with Your Life

One of the most important things to remember in using the power of Creative Prayer is faith.

Once you have finished your prayer, don't start wondering if it will be answered, you must have faith in the result.

Know that what you have asked for is yours, and it *will* appear in your life.

Through the application of Creative Prayer you can create any destiny that you desire.

Are you dissatisfied with your life?

Do you want to attract money?

Do you dream of romantic fulfillment?

Do you want a wide circle of friends and a better social life?

If you have a desire for any of these things you can realize them.

You can use Creative Prayer to bring these desires into reality.

Results may come immediately, or after a few days or weeks of accumulated effect.

But results will definitely come in the direction of your desired goal.

Part One: Preparation

Creating Your Personal Prayer Room

Although these Holy Water Prayers of the Virgin Mary may be done anywhere, at anytime,

it is best that you always use the same room.

Since prayer is a mental process, you will want to find a quiet place in your home where no

one will disturb you.

If you have a spare room then this would be ideal, but it is by no means mandatory.

This special room will be your Personal Prayer Room to the Virgin Mary.

You will need the room to yourself, when praying, and you should be confident that you will not be interrupted.

The main item of furniture in your Personal Prayer Room is an altar.

A small coffee table will do just fine.

Cover the altar with white cloth and, in the center stand either a figure or picture of the Virgin Mary.

On either side of the figure, toward the rear of the altar stand a tall, white candle.

Place a small container of spring water in front of the figure, just touching its base, and your altar is complete.

When praying it is important that you feel comfortable, to this end you should dress comfortably.

When the loving presence of the Holy Mother begins to flow through you, your entire life will follow a more peaceful path, and problems will fade away as if by magic.

Creating Your Personal Supply of Magical Holy Water

To consecrate your holy water, enter your personal shrine on a day when you are feeling particularly happy.

Light the candles, kneel before the altar and say:

*"Our Most Holy Mother, I pray thee help me, Virgin Mary, Mother of Jesus, our savior,
and of the Angels, and of the Archangels, and of the Prophets, and Blessed Mother of all. In thy Name, with all sincerity and humility, I pray that thou will bless, purify*

and

sanctify this water through thee, O Blessed Virgin Mary, who waiteth forever. Amen."

Imagine a bright, white light flowing from the figure of the Virgin Mary into the spring water.

Cover the container of water with a small white cloth and leave it undisturbed for at least 72 hours.

Once the designated time has passed, the water may be used for creative prayer blessings.

The Importance of Imagination

Imagination is one of the most important aspects of creative prayer, and often has more truth than reality itself.

Anything that you pray for must first be seen in the mind.

Everyone can use the power of imagination; you just have to know how.

If you follow the suggestions I will give you, you will be successful in the art of creative prayer.

The more you use this psychic technique, the more powerful it will become, the more expert you will become.

Here is a good exercise to develop your ability to imagine the things you want to appear in your life.

Place a colored picture on a table, or pin it to the wall where you can sit and look at it.

Sit down, relax, and look steadily at the picture (which can be of anything that attracts you) for five minutes.

Engrave every color and shape on your mind until you have a clear memory of what the object looks like.

Now close your eyes and imagine you can still see the picture in front of you, even though your eyes are closed.

Do this for three minutes.

Before using any of the Holy Water Prayers in this booklet, spend a moment imagining the happy outcome you

are seeking through the application of Creative Prayer in your life.

Simply hold in mind the clear image of exactly what it is you want to appear in your life experiences.

There should be no uncertainties at this point.

Part Two: Money and Good Fortune

This section will show you how you can bring money through prayer.

You will receive money from unexpected sources.

You will be given a prayer which can bring good fortune and prosperity.

You will learn how to bring into being any material possession you ask for.

Holy Water Prayer to Bring Golden Opportunities

This prayer should be recited when you wish to start money and golden opportunities flowing in your direction.

Sit before your altar to the Holy Mother.

Dip your finger in the container of holy water and bless yourself.

Sit quietly for a moment.

Bring your attention to the center of your forehead.

See, in your mind, yourself living a life of luxury.

Every material possession you have ever desired is now yours!

Now you are ready to recite the following prayer.

*"Our Most Holy Mother, I pray thee help me, Virgin Mary, Mother of Jesus, our savior,
and of the Angels, and of the Archangels, and of the Prophets, and Blessed Mother of all. Holy Mother, let a torrent of golden riches flow into my life from secret places. Let piles of shining gold appear round about me, so that I may grow rich beyond my dreams. Bring me golden opportunities to live a life of luxury. Nothing is impossible to thee Holy Mother, make my life whole. Amen."*

At this point, know that your prayer will be answered.

Holy Water Prayer to Increase Income

If you wish to get a certain job or promotion at work to give your income a boost, this prayer may bring interesting opportunities.

Sit before your altar to the Holy Mother.

Dip your finger in the container of holy water and bless yourself.

Sit quietly for a moment.

Bring your attention to the center of your forehead.

See, in your mind, the job you want.

See yourself performing duties connected with this job.

Now you are ready to recite the following prayer.

*"Our Most Holy Mother, I pray thee help me, Virgin Mary, Mother of Jesus, our savior,
and of the Angels, and of the Archangels, and of the Prophets, and Blessed Mother of all. Holy Mother, help me to increase my personal income. I will use the money to benefit myself and my family; well fed, clothed and protected. Nothing is impossible to thee Holy Mother, make my life whole. Amen."*

At this point, assume a feeling of gratitude for your new job coming to you.

Holy Water Prayer to Win Prizes

This prayer can bring good luck to you.

If your luck has been bad, you can change it.

Through the use of this prayer, the Holy Mother will help you win prizes in contests.

Sit before your altar to the Holy Mother.

Dip your finger in the container of holy water and bless yourself.

Sit quietly for a moment.

Bring your attention to the center of your forehead.

See, in your mind, yourself as already having won what you desire.

Now you are ready to recite the following prayer.

"Our Most Holy Mother, I pray thee help me, Virgin Mary, Mother of Jesus, our savior,

and of the Angels, and of the Archangels, and of the Prophets, and Blessed Mother of all.

Holy Mother, help me to win a prize in the contest I shall enter.

Reward me, let wonderful prizes come to me. Nothing is impossible to thee Holy Mother, make my life whole. Amen."

At this point, keep an expectant attitude and watch the prizes flow to you.

Receive Riches with the Power of Prayer

When you use these Holy Water Prayers, get ready to receive what you ask for. Worry not where the money is going to come from. Let the Blessed Virgin Mary, and other Higher Spiritual Forces, take care of that. From experience, it will most likely come from a completely unexpected source. The Creative Mind that brought the universe into existence knows countless ways for riches to come to you.

Part Three: Health and Well-Being

Note

These prayers should not be used as a substitute for recognized medical treatment. They should be used only in conjunction with a doctor's diagnoses and prescriptions.

There are a few lucky people who go through life with no sign of illness, while others catch every illness that comes along.

Why is this so?

The mind and body are linked.

If you think discordant thoughts, your body will be adversely affected and this will manifest in the form of minor illnesses and depression.

You can change this pattern of ill health by changing the way you think.

Good health will manifest as an expression of positive thinking.

Holy Water Prayer for Better Health

To banish general indispositions and bring health and strength.

Sit before your altar to the Holy Mother.

Dip your finger in the container of holy water and bless yourself.

Sit quietly for a moment.

The first step in the healing process is to bring your attention to the center of your forehead.

Think about the area of your body in need of a healing.

Now you are ready to recite the following prayer.

"Our Most Holy Mother, I pray thee help me, Virgin Mary, Mother of Jesus, our savior,

and of the Angels, and of the Archangels, and of the Prophets, and Blessed Mother of all. Holy Mother, let perfect health come to me. Let my body be healthy and strong again. I know that if your hands are placed upon me, illness shall fade away. Nothing

is impossible to thee Holy Mother, make my life whole. Amen."

At this point see, in your mind, a bright, shining light surrounding your body.
Try to actually breathe in this light, feel it circulating within you.
Know that every cell of your body is being revitalized and renewed.
This light is the aura, an invisible field of spiritual energy that surrounds the human body.
Your body will absorb this energy to bring about a healing.

Holy Water Prayer to Heal Another

This prayer will help you to heal someone who is ill.
On no account should you try to persuade the other person to stop taking recognized and regular medical treatment.
The person that you wish to heal does not need to know that you are praying on his or her behalf.
Sit before your altar to the Holy Mother.
Dip your finger in the container of holy water and bless yourself.
Sit quietly for a moment.
See, in your mind, the person as vibrant and healthy.
All signs of illness have faded away.
Now you are ready to recite the following prayer.

*"Our Most Holy Mother, I pray thee help me, Virgin Mary, Mother of Jesus, our savior,
and of the Angels, and of the Archangels, and of the Prophets, and Blessed Mother of all. Holy Mother, let perfect health come to (person's name). Let his/her body be made whole again. I know, Holy Mother, that if you place your hands upon him/her all illness shall fade away. Nothing is impossible to thee Holy Mother, make his/her life whole again. Amen."*

At this point see, in your mind, a bright, white light surrounding the other person.
You will, of course, have been using the appropriate pronoun where the prayer says "his," "her" and "him."

Holy Water Prayer to Eliminate Bad Habits

To free yourself from the bondage of bad habits that can ruin your health.
There is no habit that can hold you in its destructive grip.
You no longer need be a slave to anything that robs you of your morale and well-

being.

This prayer can free you from any poisonous habit that now clouds your life.

Sit before your altar to the Holy Mother.

Dip your finger in the container of holy water and bless yourself.

Sit quietly for a moment.

Think about the bad habit and how it has ruined your life.

Feel a strong desire to be free from it.

See, in your mind, yourself as no longer in need of the old habit.

You are whole again.

Now you are ready to recite the following prayer.

"Our Most Holy Mother, I pray thee help me, Virgin Mary, Mother of Jesus, our savior,

and of the Angels, and of the Archangels, and of the Prophets, and Blessed Mother of all. Holy Mother let me take control of my life again. Set me free from the bondage of (here name the bad habit). Let the craving that torments me fade away. Break the chains that bind me. I know that nothing is impossible to thee Holy Mother, make my life whole. Amen."

At this point, accept that nothing can have power over you ever again.

Know that you are free.

Holy Water Prayer to be Reborn

This prayer will cause miraculous changes to take place in your body and mind.

You will be renewed, invigorated, and filled with spiritual energy.

Sit before your altar to the Holy Mother.

Dip your finger in the container of holy water and bless yourself.

Sit quietly for a moment.

See, in your mind, the Virgin Mary standing before you.

Bright rays of light and power radiate from her.

Focus one of these rays of spiritual energy into your body, and feel it energize you.

Now you are ready to recite the following prayer.

*"Our Most Holy Mother, I pray thee help me, Virgin Mary, Mother of Jesus, our savior,
and of the Angels, and of the Archangels, and of the Prophets, and Blessed Mother of all. Holy Mother, let your love fill every cell of my body. Let it bring renewal to my mind, body, and soul. Let your love flow through me; healing, invigorating, renewing, and revitalizing me. I know that nothing is impossible to thee Holy Mother, make my life whole. Amen."*

At this point, let the tears of joy flow.
The Holy Mother's love will renew and sustain you.

Healing Through Prayer

The Great Universal Mind created us in his own perfect image.
Illness manifests through imperfect thought.
Since thought is the essence of creative prayer, it can be used to bring about a healing.
Your ability to heal yourself and others lies in your own mind.
Prayer will work in harmony with any treatment.
Remember: prayer is **not** a substitute for going to a doctor.

Part Four: Power and Protection

In this section, you will learn a way to make others do what you want for your mutual good.
You can use this power to win scores of new friends and have a happier social life.
It can make people like and admire you, no matter what you ask them to do.
It fills you with dynamic magnetism, and all thoughts of inferiority and self-doubt will fade away.
Here, also, is a way to be protected from unseen dangers.

Holy Water Prayer for Personal Magnetism

To realize your true worth and power.
The first time you use this prayer, you will be filled with an exciting feeling of self-confidence.
This prayer will help you influence other people.
They will assist you in the attainment of your personal goals, and make your life

complete.

Sit before your altar to the Holy Mother.

Dip your finger in the container of holy water and bless yourself.

Sit quietly for a moment.

See, in your mind, yourself surrounded by members of both sexes.

See admiration in their eyes.

Know that they are under the spell of your newly developed dynamic personality and will do

whatever you ask them to do.

Now you are ready to recite the following prayer.

"Our Most Holy Mother, I pray thee help me, Virgin Mary, Mother of Jesus, our savior,

and of the Angels, and of the Archangels, and of the Prophets, and Blessed Mother of all. Holy Mother, fill me with power and strength. Bless me, Most Holy Mother, with

personal magnetism, so that others will obey my every word and thought, if it be for our mutual good. I will use this power to live in the Eternal Glory of your love.

Nothing

is impossible to thee Holy Mother, make my life whole. Amen."

At this point, feel the sense of power and strength that is now yours.

Once your prayer is answered, you will need only suggest that something be done, and others will follow your wishes.

Holy Water Prayer to Win New Friends

If your life is dull and uninteresting, this prayer can change all that.

Sit before your altar to the Holy Mother.

Dip your finger in the container of holy water and bless yourself.

Sit quietly for a moment.

See, in your mind, yourself surrounded by members of both sexes.

They are smiling, laughing, and happy to be with you.

Know that they represent the new friends who will soon appear in your life.

Now you are ready to recite the following prayer.

"Our Most Holy Mother, I pray thee help me, Virgin Mary, Mother of Jesus, our savior,

and of the Angels, and of the Archangels, and of the Prophets, and Blessed Mother of all. Holy Mother walk with me and make me a friend to all. Let those that I meet be

bathed in the Eternal Glory of thy love. Let new friends be drawn to me and I to them. Nothing is impossible to thee Holy Mother, make my life whole. Amen."

At this point, let the tears of joy flow.

The Holy Mother's love will draw new friendships to you.

If it is a particular person whose friendship you seek, you must greet him or her by name at least once each day.

You must talk to him or her on any subject for at least five minutes.

Continue the daily greeting for at least three weeks.

The person will now be your friend.

Holy Water Prayer to Bring a Loved One to You

To bring love into your life.

You can use this prayer to rekindle love in someone who has lost interest in you.

You can use it to bring the one you desire to your side.

The man or woman of your dreams will be drawn to you.

The need to love and be loved in return is the most basic of all human needs.

If something is missing from your life, it is most probably the love of a partner.

Sit before your altar to the Holy Mother.

Dip your finger in the container of holy water and bless yourself.

Sit quietly for a moment.

See, in your mind, the image of your loved one.

See it as clearly as possible.

Feel his or her presence in the room with you.

Now place yourself next to your loved one.

Let this mental image *glow* with life in your mind.

Now you are ready to recite the following prayer.

"Our Most Holy Mother, I pray thee help me, Virgin Mary, Mother of Jesus, our savior,

and of the Angels, and of the Archangels, and of the Prophets, and Blessed Mother of all. Holy Mother, place your hand upon the heart of (person's name) so that he/she feels my love and loves me in return. Let your love for all mankind draw us together. Enfold both of us in your loving embrace. Nothing is impossible to thee Holy Mother, make my life whole. Amen."

At this point, have complete faith that your loved one is coming to you.

Do not doubt this even for a moment.

You will, of course, have been using the appropriate pronoun where the prayer says "he" and "she."

Holy Water Prayer for Protection

To avoid situations that could prove dangerous to you.

This prayer will give you a protective shield so powerful that it will guard you from all evil.

You will be warned when any danger is present.

This prayer will make you more sensitive to warnings sent to you by the Holy Mother, and

the other Higher Spiritual Forces that watch over you.

It can protect you from psychic attack and possessing entities.

Psychic attack is malignant thoughts sent to you from another person.

Sit before your altar to the Holy Mother.

Dip your finger in the container of holy water and bless yourself.

Sit quietly for a moment.

See, in your mind, a beam of bright, white light shining down on you from above.

See it as clearly as possible.

Feel its warmth and the powerful vibrations that it radiates.

See it grow brighter.

Now you are ready to recite the following prayer.

"Our Most Holy Mother, I pray thee help me, Virgin Mary, Mother of Jesus, our savior,

and of the Angels, and of the Archangels, and of the Prophets, and Blessed Mother of all. Holy Mother, warn and protect me from any danger to my well-being. Your love will never fade away. I feel it now with all my heart and soul. Enfold me in your loving

embrace, Blessed Mother, to protect me from danger. Nothing is impossible to thee Holy Mother, make my life whole. Amen."

At this point, know that you are surrounded by a field of protection so powerful that no

peril will be able to befall you again.

The burning of incense has always been a part of the Esoteric Sciences.

and on my left stands Uriel.
I call upon thee, O Archangels Four,
To bear witness. I state my purpose thus: (here state your dream, desire, wish)."
